Who is eligible for this insurance?

You must be actively working (performing all normal duties of your job) at least 20 hours per week.

How long will my benefits be paid?

Benefits begin after the end of the elimination period and can be payable up to the maximum benefit period as long as you remain disabled.

Will my benefits be reduced by other sources of income?

Yes, depending on the type of income you receive. Your benefit amount may be reduced by other sources of income such as retirement/government plans, other group disability plans, paid family leave, salary continuance/sick leave, settlements on payments received and no-fault benefits.

Yes, your STD insurance provides benefits for both on-the-job and off-the-job coverage for disabilities due to injury or sickness.

Are there any limitations or exclusions?

The benefits payable are subject to the following:

- Your plan is subject to a pre-existing condition limitation. A pre-existing condition is one for which you have received medical treatment, consultation, care or services including diagnostic measures, or if you were prescribed or took prescription medications in the predetermined time frame prior to your effective date of coverage. The pre-existing condition under this plan is 3/6 which means any condition that you receive medical attention for in the 3 months prior to your effective date of coverage that results in a disability during the first 6 months of coverage, would not be covered.
- Benefits are not payable for any disability or loss that:
- Results from an act of declared or undeclared war or armed aggression
- Results from participation in a riot or commission of or attempt to commit a felony
- Results, whether the insured person is sane or insane, from an intentionally self-inflicted injury or illness, suicide, or attempted suicide
- Occurs while incarcerated or imprisoned for any period exceeding 31 days
- Is solely a result of a loss of a professional license, occupation license or certification

All exclusions may not be applicable, or may be adjusted, as required by state regulations.
